There may be nothing more powerful in our Christian life than spending quiet devotional time with God on a regular basis. This is where God's Word comes alive to us, where we hear Him speak to us, and where we find ourselves in a place to respond to Him.

The Daily Devotion Journal is designed to help you do just that. Pick a meaningful scripture, give yourself 20-30 minutes, and purposefully meet God in His Word and Prayer. Follow each step. Don't rush through it. Really commit to meet God during this time.

First, Pray. Slow down and make your heart ready to hear from God.

Then, <u>MEDITATE</u> on the scripture. Read it slowly, carefully, repeatedly, asking God to speak to you through His Word. If necessary, check the surrounding verses to help you understand the key scripture. You can also begin to <u>pray this scripture</u> while you're meditating on it. Start making this scripture a prayer for your life.

Next, write out the scripture in your own words. While you're writing, let the words sink in.

Now you're ready to <u>APPLY</u> this scripture to your life. Be personal and specific. Write down what area of your life The Holy Spirit is addressing though this scripture. How does this scripture specifically apply to your life? Be honest. Be real with God.

Next, decide what you going to <u>do</u>, today, in <u>RESPONSE</u> to this scripture? Maybe it's a physical action, maybe it's taking your thoughts captive, maybe it's choosing to respond in your heart according to God's Word. How are you going to respond to this scripture, today?

Finally, write out a prayer to God in response to this time with Him. Ask for the power of The Holy Spirit to make this scripture real in your life. Make your commitment to God, and thank Him for speaking to you through His Word.

Now, the final question is; How do you choose the scripture to use with the journal?

The best way is to come back to the Discipleship Resource Table on any Sunday and the people there will be glad to help you find appropriate scripture. You can also email me at <a href="mailto:shep@calvarynuevo.org">shep@calvarynuevo.org</a> and tell me what topic you're looking for scripture on, and we will send you scripture to use with your Daily Devotion Journal. You can also ask someone you consider a spiritual mentor to help you find appropriate scriptures.

You can download this journal page at <u>calvarynuevo.org</u>. Or you can ask us for journal books that come with 30 journal pages. We have journal books with no scripture, for you to put your own scripture in, and we also have 'topical' journal books, that come with 30 preprinted scriptures for you to spend 30 days on one specific subject with God.

Our 'topical' journal books have been a tremendous blessing to everyone who has used them. Please consider trying one in your quiet time with the Lord.

I promise you, God will meet you during this time. And if you will surrender all of your life to Him, and allow His Word to renew your mind, He will transform you.

Rom 12:1-2,

Pastor Dave
